'PETROPOLIS' BOARD GAME: *An exciting game about the fortunes of oil where players compete for the thrills of being an oil tycoon. Plan an oil producing empire; negotiate for oil concessions; risk it all on the way to becoming an oil tycoon; and enjoy the excitement of playing for high stakes. The object of the game is to make the most money by acquiring concessions in the petroleum producing countries, controlling them and operating them.*

The box shows some signs of storage wear but overall is in very good to excellent condition. The game contents are complete and also present themselves in very good to excellent condition. This is a very nice example of a game that it now extremely difficult to find.

For 2 - 7 players.
